THIS IS WHERE I LEAVE YOU (2014)

When their father passes away, four grown siblings, bruised and banged up by their respective adult lives, are forced to return to their childhood home and live under the same roof together for a week. Confronting their history and the frayed states of their relationships among the people who know and love them best, they ultimately reconnect in hysterical and emotionally affecting ways amid the chaos, humor, heartache and redemption that only families can provide.

Please join us for a meaningful evening!

Shana tova to you and your families!
